

Kenwood Country Club, a premier private club located in Cincinnati, Ohio has an exciting opportunity for a Head Platform Tennis Professional/Junior Tennis Director. Kenwood CC is a full service club with two 18 hole championship golf courses, an Olympic sized pool and diving complex, two Hydro/two Har-Tru clay courts and two hard tennis courts, in addition to four platform tennis courts. We are in search of a Paddle/Tennis Professional with teaching experience in a country club environment, who is extremely energetic and has the ability to provide excellent member service. In addition, this position requires USPTA certification. In this role the Junior Director/Platform Pro will teach private and group lessons to adults and juniors at all levels, develop and teach junior clinics and camps, manage junior program staff, plan and attend socials and mixers, and assist with junior and adult leagues and tournaments. The primary focus of the position will be to help plan and implement a successful, active junior program. Coordinating responsibilities include assisting the Director of Racquet Sports with all tennis and paddle operations including the pro shop and court maintenance. Working in the pro shop and working on weekends is a requirement. Experience with USTA 10 and under model and Cardio tennis is desirable. We offer a competitive salary, hourly clinic rates and 100% of private lessons taught, free meals, and clothing allowance with bonus potential.
