

## HUT SUPPLIES

*It might be easier to place the hut monitor instructions, copies of the directions, list of tournament phone numbers, the list of competitors, facilities specific information all in a binder so that they don't get misplaced over the course of the tournament. Each hut therefore would have its own binder placed in the hut box along with the balls, draw sheets, rule books etc.*

Recommended:

- Balls
- Draw sheets – large for posting
- APTA Rule Book (ask APTA for copies)
- Hut monitor instructions
- Copy of directions between facilities
- Tournament schedule
- List of tournament phone numbers
- List of competitors with cell phone numbers
- Lunch schedule and locations
- Facility specific information: Entry codes if needed, location of light and heating switches, snow removal procedure, locker room availability, phone number of facility maintenance.
- Schedule of hut monitors with phone numbers
- Measuring tape or measuring stick to measure net
- Pens, pad of paper, scotch tape
- Motrin etc. and band aids
- Plastic zip bags for individual icing
- Dry erase board to post order of matches, dry erase marker
